

## Newsroom

The renovation on the Evening Drop-in and Study Center is complete at our new location at 637 Sudderth Drive! Youth may “drop in” Monday-Friday from 4:00-9:00 PM and Wednesdays/Early Release Days from 2:30-9:00 PM. The renovation was made possible with funds from the R.C. and Joan Dale Hubbard Foundation, Washington Federal Foundation, BBVA Foundation, Community Foundation of Lincoln County, God’s Light in the Darkness Foundation, Ruidoso Kiwanis Club, and private donations from people like you!

This building on the property at 637 Sudderth Drive will become the overnight shelter for up to 14 students. We are currently raising funds for this renovation so we can offer this component of the 24-Hour Youth Crisis Shelter.
